

Lenovo recommends Windows Vista™ Business.

LONG ON STABILITY. SHORT ON PRICE.
THINKCENTRE M55e

ThinkCentre® M55e desktops deliver a stable platform for at least 12 months with managed transition, helping to reduce rollout costs. They provide easy global deployment, with models available in more than 60 countries. And with configure-to-order options, you can get exactly what users need at a price that fits your budgetary needs.

New Thinking. New ThinkCentre.™

lenovo

Meet your anytime, anywhere, anything-is-possible desktop.

The ThinkCentre M55e is designed to maximize productivity and minimize cost within your large enterprise. It can ease even the most complex deployments with 12 months of image stability and a host of manageability features that can reduce IT support costs over their entire life cycle. All models are equipped with your choice of fast Intel® processors and a variety of ports, slots and bays for easy expansion. Select models are Microsoft® Office ready for the 2007 Microsoft Office Business Suites. The ThinkCentre M55e is now a product of Lenovo, a global company uniting Lenovo and the former IBM PC Division under the Lenovo name. Learn more at lenovo.com

Lenovo recommends Windows Vista™ Business.

User, heal thyself.

ThinkVantage® Technologies are integrated into every ThinkCentre M55e desktop to help users help themselves—and reduce the burden on your help desk. These tools, including ThinkVantage System Migration Assistant,™ ThinkVantage Client Security Solution and ThinkVantage Rescue and Recovery,™ make managing deployment, security, and even recovery from system crashes, quick and easy.

Just short of omniscient.

The help you need is always standing by—around the clock and around the world! ThinkCentre service and support continues to be available from IBM.
